Dolphin S400

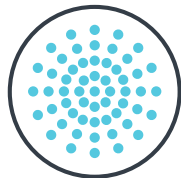

Absolute pool-cleaning performance

The Maytronics **Dolphin S400** robotic pool cleaner makes it super-easy to keep your swimming pool exceptionally clean and ready for fun, with minimum effort and hassle. Get maximum convenience and control all in one, with advanced options like manual drive, a choice of cleaning programs, and delayed start.

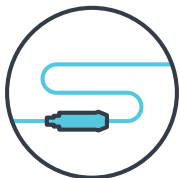

The **Dolphin S400** is equipped with a multi-layer, top-load filter basket with extra sealing and larger filtration capacity. With the new MyDolphin™ Plus mobile app, the **Dolphin S400** is always connected, giving you the freedom to control your robotic pool cleaner from anywhere, at any time.

Advanced weekly scheduler and cleaning cycle selector

Multi-layer filtration system with integrated fine & ultra-fine filters

Swivel cable helps prevent cable tangles

Actively cleans and scrubs away dirt & debris

Set & forget, using the MyDolphin™ Plus mobile app

Top-load filter basket for super-easy cleaning
